Special Needs NJ, LLP believes that **ALL** children have the potential to succeed in school. Our dedicated tutors are committed to helping improve your child's academic abilities—no matter the subject or skill level. We work to **pinpoint the exact skills your child needs to learn.**

All instruction is differentiated to the students learning ability, mode of learning, with implementation of adaptive technology, auditory, visual, or tactile aides.

Special Needs NJ, LLP works with each student individually, so your student receives the specific help he/she "**needs.**" To ensure success across communities, our tutors will work hand in hand with your school district/ teachers to provide support and guidance.

Our tutors are all NJ certified Special Educators, and Highly Qualified in all subjects.

Instruction "Individualized" for the needs of your child's learning style and mode.

Learning made fun!!

Our tutors are not *just* another teacher... We make special bonds with our students, by giving positive supports, teaching organizational/executive training and coping skills that your child will use for a lifetime.

**Special Needs NJ named Newton Educational Consultants of the year 2014!**
